Job Description:

Bohannan Huston is currently seeking qualified applicants for a full-time Transportation Planner to work in our Albuquerque, NM office or our Englewood, CO office.

As a Senior Planner with Bohannan Huston, you will lead and/or participate in a variety of local and regional planning activities, including master transportation plans, corridor and streetscape studies, bicycle and pedestrian plans, comprehensive plans, long-range capital plans, and more. Integral to many of these projects are robust outreach and stakeholder engagement initiatives. Our clients are primarily public sector agencies, and we place a strong emphasis on supporting project implementation.

Supporting a land use or transportation planning background, candidates must have experience with creating and leading public engagement programs and strong writing skills. Project management experience including delegation of assignments, management of budgets, and document production are also required.

If this sounds like the challenge and opportunity you have been looking for, we want to hear from you!

WHO YOU ARE

- You have graduated with a bachelor's degree in Urban or Regional Planning (or similar) from an accredited college or university.
- You have earned your AICP certification (desired but not required).
- You have at least 7 years of professional experience; a graduate degree may be considered as equivalent to two years of professional experience.

WE OFFER

- Training, support and learning opportunities. Variety of projects across several civil engineering disciplines.
- Health insurance, including medical, dental and vision. We also offer an HSA that includes a generous contribution that we make on your behalf.
- 3 weeks of flexible leave.
- A nationally recognized 401(k) retirement savings plan with a great company match.
- Inspiring company culture and team environment.
- Innovative clients who rank among our region's most successful public and private sector leaders.

About BHI

Bohannan Huston isn't your run-of-the-mill consulting engineering firm, though we may look like it on the surface we provide civil and structural engineering services, surveying and mapping services, planning, and advanced engineering technologies solutions. What really sets us apart is how we attract the best and brightest talent and strive to create a work environment where we have an opportunity to do our best work every day, where our employees are engaged, energized and inspired. Our exceptional reputation is built upon a spirit of service and unwavering commitment to client satisfaction. Our clients are public and private sector leaders, looking for innovative and excellent solutions, and we meet those challenges every day. Our team is led by the best, brightest and most seasoned engineers, planners, surveyors and IT gurus, and powered by expertise, excellence, data analytics and innovation. We are proud to be recognized for excellence in our work and our workplace:
