

Erick J. Aune, AICP is a Transportation and Urban Planner employed with the Santa Fe Metropolitan Planning Organization as the MPO Officer. He is inspired by the impacts of roadway design on all elements of the community and is dedicated to supporting innovative design that improves safety and livability for all users of our roadways. He has practiced land use and transportation planning in the Southwest since 1996 and began his career working for the USDA Rural Development AmeriCorps Program in Aztec, NM. He has served as Planning Director for Aztec, NM and La Plata County, CO and worked with the New Mexico MainStreet Program as Aztec’s Mainstreet Director and directly as Program Associate.

Erick graduated from Michigan State University with a M.S. in Natural Resource Development and is a 2007 Fellow of the Regional Institute of Health and Environmental Leadership and served as a Local Government Specialist in Albania working for the Peace Corps in 2003/04. Erick also serves as Immediate-Past President of the American Planning Association, New Mexico Chapter and President of the New Mexico Resiliency Alliance (NMRA), dedicated to bringing resources to underserved communities throughout New Mexico.
