

Elvira Lopez, MCRP, AICP, is a Senior Program Planner for Bernalillo County and received her Masters degree from UNM and B.A. in Development Studies from UC Berkeley. In addition to current and long range planning at the County, she assists with developing their biennial Capital Improvement Plan. Her public sector experience also includes serving as a Planner and Senior Planner/Manager for the City of Albuquerque and APS Capital Master Plan, respectively. She recently joined the Board of the Greater Albuquerque Housing Partnership continuing her interests in community and economic development.

Elvira will be providing a professional critique to student presenters at:
School's OUT! (Jackie will be professionally critiquing student presenters)

Friday, October 28, 9:30 – 11:00 am
